An update from the Chair of Governors

Monday 9th May 2022

Dear Parents / Carers,

I hope this email finds you well, having finally been able to enjoy a small amount of rain free, sunny weather over the weekend.

I am very excited to update you that we have finally received the official confirmation that our proposed Academisation with The Rowan Learning Trust can now proceed.

Mrs Broom, Mr David and the team will continue to work with the relevant teams across both the local authority and The Rowan Learning Trust to make the transition as seamless as possible and we are currently working towards a date for conversion of 1st July 2022.

As we get nearer to the planned conversion date, I will provide further updates on what will happen on the day and in the short term. However, as previously communicated and discussed at our open evening, as parents/carers you and your child(ren) will see no real change from 1st July as much of the work is in the legalities and formalities of moving for a Local Authority school to an Academy school.

Thank you for your patience, understanding and support during this process and as always, should you have any questions or queries then please do not hesitate to get in touch.

Best wishes,

Kev

Kevin Unsworth

Chair of Governors
