SATs Week

SATs week is over for Year 6 and we want to say as a school how proud we are of all the children in Y6. You have worked so hard this week, well done! Have a great weekend, enjoy the sunshine and have fun!

Geography Film Making

Some of the children from Year 4 and 5 made a film this week about the Monserrat Volcano. The children used their geographical knowledge and their drama skills to compile some news reports of the major eruption of 1997.

The children learnt about the use of the 'green screen' to add in video and picture footage.

The finished video will be displayed on our YouTube Channel. Please subscribe to get updates. [Link](#)

We appreciate that this is purely a snapshot of your opinions; however, if anyone feels that they would like to discuss any of these issues that we have covered, we would be delighted to engage with you.

As a school, we will definitely be raising the profile of our school parliament and including more opportunities to explore democracy and what it looks like in school.
