Mon 10th – Fri 14th—Year 6 Residential to Min-y-Don

Fri 21st - 9:10am Y6 leavers Assembly

3:15pm School closes for the Summer

Official Y4 Multiplication Check

The children have been working really hard to master their multiplication tables. We will soon administer the official Multiplication check to all eligible year 4 pupils between Tuesday 5th June and Friday 16th.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.

We are really pleased with the Children's progress and many are now getting 100%. We would ask you to support your child to reach their potential by learning the last few facts that they need to know.

Try the unofficial check <https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

Kids in Sport—Oulton Park Visit Y5 & Y6

Through the kind help of one of our parents, Mr David Addison, we have secured an amazing educational visit to Oulton Park for Y5 and Y6.

We will shortly provide further details and an itinerary of the day. The children will undertake a variety of activities that will inspire and encourage them to consider future careers in motorsport and other STEM related industries.

There is a huge cost to putting on events like this; however, this is being funded by the generosity and financial support of the sponsor, Cataclean.

FoWS Lottery Results

Lots of numbers still available – support your school and help raise £3,200!

Please consider joining this year.

Contact Derry 07973281124 for help and to see which numbers are available.

Thank you for supporting our school in this way

13/05/2023	28ROLLOVER	£0
17/05/2023	17Siobhan Blunden	£50

Healthy Snacks and Drinks

At Whitley we endeavour to be a healthy school, teaching the children about how to make good choices for their health including what they eat and how this contributes to their wellbeing.

We know how important it is that your child has the right fuel to keep them going from breakfast until lunch and would encourage you to provide them with something that they can eat. Only one snack is needed at this time in the morning as they don't have time to sit down and eat for long and getting outside to play is also very important, so please don't send them with too much. The NHS guidance from 'change 4 life' advises that snacks are kept to under 100 calories. Drinking bottles should contain water and this also helps us avoid sticky spillages.

Please remember that all Key Stage 1 children have the option of free fruit and vegetables as part of the government school fruit and vegetables scheme.

National Online Safety Mobile App

It's time to get **#OnlineSafetySavvy**

Children are spending more time than ever online. As adults, we need to do everything we can to keep them safe in the digital world. But with new apps, games and platforms emerging every day, how can you stay in the know?

Say hello to the new National Online Safety mobile application. Created by experts, developed by the organisation National Online Safety.

With all online safety knowledge available at your fingertips, the NOS app empowers parents to understand and address online safeguarding risks – any time, anywhere.

The world's most comprehensive online safety app, it's packed with insightful courses, explainer videos, webinars and guides on topics that will help you protect the children you care about when they're online.
