Welcome

Welcome to School Hub (formerly Lunch Shop). Following feedback, School Hub has been designed for parents with mobile phone optimization in mind and we hope that you find the website brighter, modern and easy to navigate around.

Great news – you can have one log in if you are a parent at more than one school and also have more than one parent/carer attached to a child. Please speak with one of your school admin or Orian to find out more.

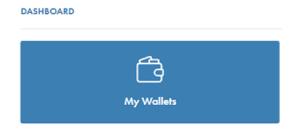

If you wish to change the language in School Hub please scroll to the bottom of the screen and select as appropriate.
