Winter Reading Challenge

This year's Challenge theme, **Marvellous Makers**, was all about creativity. From dance to drawing, junk modelling to music, there's something for everyone! Children could find new reads linked to their favourite creative arts, and access free activities at the library.

Children can take part for FREE, either at the library or online:

You can sign up at [your local library](#) and take part in person. A librarian will give you a special collector folder and help you find books to read. You'll collect special stickers and rewards for your reading.

You can take part **online** by signing up [here](#), on the official Challenge website. You'll set up a profile with a reading goal and log your books. When you reach your goal, you will unlock a virtual badge and certificate.

Successful Safety Check

We are pleased to have successfully passed our annual inspection of all PE apparatus and our adventure area. As a school that prioritises the use of equipment for the benefit of our children, we place great importance on ensuring it is professionally checked and maintained each year.

NHS

Reminder

Cases of winter flu are increasing rapidly, prompting England's Chief Medical Officer, Professor Chris Whitty, to urge those eligible to get vaccinated. The latest data reveals that flu cases are particularly high among children aged 5 to 14, with 16.9% of tests returning positive results, up from 11.5% the previous week.

For any children who missed their vaccination, the NHS immunisation team is running several catch-up clinics in the area. Parents wishing to book an appointment can contact the team directly on 01244 397470.

The upcoming clinics in our area are as follows:

- Saturday 21st December – Winsford
