BIG WALK AND WHEEL
24 March—4 April 2025

We're taking part in the Sustrans Big Walk and Wheel 2025 challenge.

Join in by walking, wheeling, scooting or cycling to school between 24 March—4 April.

- ✓ Be active and feel more energised.
- ✓ Help the environment by replacing a car journey
- ✓ Help us win some fantastic prizes

JOIN THE MOVEMENT

Start of School Day

I would like to take this opportunity to remind you that you must not drop your child off early and leave. Parents are welcome to remain in the playground until the official start of the school day; however, you must not drop your child off and drive away until the official start of the school day, which is when the bell rings at 8:45am.

While teachers are present outside to be available for conversations with parents, you remain responsible for your child until the bell rings. If you need to leave early, you are welcome to book a place in our Breakfast Club via School Spider.

During the busy start to the school day, please ensure you avoid stopping on the zig-zag lines. These markings have been placed near the school gate entrance to enhance the safety of pedestrians and children by keeping them away from moving vehicles.

Thank you for your understanding and commitment to the safety and well-being of everyone.

Thank you

It was a pleasure to see so many Reception and Year 6 parents attending to discuss their child's progress. We sincerely appreciate the time you have taken to engage in these discussions.

We hope that other parents also enjoyed reviewing their child's work during the 'Book Look' opportunity.

Please do not hesitate to approach us if you have any further questions regarding your child's learning. We always welcome and value parental engagement.

Friends of Whitley School (FoWS)

Lottery

The lottery lets us raise much-needed funds for school to help pay for Mathletics, coaches for trips, furniture etc.

It costs just £8 a month for 2 draws per week. If your number pops up, you win £25. If there was no winner the week before you win. If you would like a number and to help support school,

Please contact Hayley Woodward on 07740043151 or littlhayjay@gmail.com

01/03/2025	53	ROLLOVER	
05/03/2025	58	Dave Littler	£50

Science Help

We would to extend our sincere gratitude to everyone who generously contributed items for this term's science topic. The children of Y5 and Y6 had a thoroughly enjoyable afternoon planting seedlings and seeds as part of their study on plant growth.

External Maths Scrutiny

We were delighted to receive highly positive feedback from our external partner, First4Maths, following their moderation visit for Mathematics. They were very pleased with the standards observed and expressed appreciation for the opportunity to review our books and discuss our approach to teaching Maths. It was particularly rewarding to hear their commendation of the effective use of resource packs within lessons. Their feedback reaffirms our commitment to maintaining high standards in Mathematics education.

Ask me a question about what I have learnt this week!

Reception
Show me different way to make ten.
Year 1
What can you find in a grassy habitat?
Year 2
Tell me about water stores.
Year 3
Tell me about the stages of a water cycle.
Year 4 (Mrs D)
Tell me about the stages of a water cycle.
Year 4 (Miss B)
What is a source? How do they teach you about the past?
Year 5
What is propagation? (Science)
Year 6
How do you propagate plants? (Science)

EMPOWERING GIRLS THROUGH FOOTBALL

JOIN WEAVER PANTHERS

At Weaver Panthers, we believe in the power of teamwork, dedication and most importantly, having fun. Our club is more than just a place to play football; it's a community where every player can grow, make friends and develop a life long love for the sport.
