Well Done Year 6!

We are incredibly proud of our Year 6 pupils for their resilience and positive attitude during the SATs. Their focus and determination were outstanding. Thank you to all parents for helping the children arrive calm and ready each day. We are especially grateful to Miss Baines and Miss Bostock for their dedication throughout the year and for organising the lovely breakfast sessions, which gave the children a gentle, social start to their mornings.

Sporting Success: Whitley Pupils Shine at the Cheshire Duathlon

We are delighted to share the outstanding achievement of two of our pupils, who recently took part in the Cheshire Duathlon over the weekend. One competed in the lower category age 6-9 range, 'Zinc Race' doing a 200m run, 1Km Cycle and a 500m run. The other pupil competed in the Bronze category for ages 10-13, and faced a demanding course comprising a 400m run, a 3km cycle, followed by a 1500m run. Demonstrating remarkable endurance and determination, they completed the course in an impressive time. What makes these achievement even more exceptional is that both boys were one of the youngest competitors in their categories. We are incredibly proud of them both and look forward to seeing their continued success in the future.

Well done to both of them!

Governing Body busy at Whitley

Whitley Village School shares its Governing Body with The Acorns, a progressive and collaborative approach that has long been recognised and valued by our Trust. This model not only strengthens leadership capacity across both schools but also fosters the sharing of ideas, strategies and best practices. This week, the Governors convened at Whitley for their scheduled May meeting at 5:00pm. In their vital role, they continue to provide both support and constructive challenge to school leadership, ensuring that both schools remain focused on continuous improvement and delivering the highest standards of education.

Fencing Competition

Fencing has become an established and much-enjoyed part of our extra-curricular provision at Whitley Village School. This week, a group of our pupils had the exciting opportunity to take part in a fencing competition alongside children from other local schools. The event provided a valuable experience for the children to apply the skills they have been developing in club sessions.

We would like to extend our sincere thanks to Mrs Downey for generously offering her time to transport and supervise the pupils, making it possible for them to enjoy this enriching after-school activity.

Whitley Village School Community Volunteer Day

Saturday July 5th, 9am - 2pm

We're excited to announce our next Community Volunteer Day on Saturday 5th July.

While the Rowan Learning Trust continues to generously invest in our school each year, our much-loved but aging building always needs a little extra care. Following the fantastic success of our autumn term volunteer day, we're inviting our wonderful community to join us again for some hands-on help. This time, we'll be painting windows, sheds and the outdoor shelter. We've already ordered paint and wood stain to get us started!

The turnout last time was incredible, and volunteers left feeling proud and positive about their contribution. If you'd like to be part of this rewarding day, please let Emily in the school office know. We'd love to see you there for however long you can help!
