## Y4 MTC CHECK

We're so proud of all the amazing learning Year 4 have done this year. Now it's almost time for them to show off their times tables skills in the **Government Multiplication Tables Check**, which will take place **between Monday 2nd June and Friday 13th June 2025**. To help them feel confident and ready, we encourage you to spend a little time each day practising their times tables. Just 5–10 minutes can make a big difference!

## Tricky Word Progress

One of our Year 1 pupils has shown remarkable commitment over the past 16 days in learning their tricky words. Their score has increased significantly from 16 to 41, a testament to their hard work and determination. Gaining confidence with these words has enabled them to access our word banks more effectively, supporting greater independence in both reading and writing. A very well done to them on this fantastic achievement!

If your child already knows their tricky words, keep rehearsing them regularly. You may even want to help them begin learning to spell the words they can already read. This will greatly reduce the cognitive load as they begin to write more extensively in Year 1 and beyond.

## Weaver Hall Museum Visit

The Children had a fantastic day at Weaver Hall Museum, stepping back in time to experience what life was like for children in 1875. Through a range of immersive activities, they explored Victorian school life, chores, and daily routines — bringing history to life in a truly memorable way.

We would like to extend a huge thank you to FOWS and all our wonderful parents and carers for your generous support. Your contributions made this enriching trip possible, and we are so grateful for helping create such a valuable learning experience.

# Whitley Village School Community Volunteer Day

Saturday July 5th, 9am - 2pm

We're excited to announce our next Community Volunteer Day on Saturday 5th July.

Our much-loved but aging building needs a little extra care, and we'd love your help! Following the success of our last community day, we're inviting you back to paint windows, sheds, and the outdoor shelter. We've got the paint and stain—now we just need you! To get involved, contact Emily in the school office on 01606 822991. Join us for as long as you can—we'd love to see you! You can also reply on the school spider survey.

## Never Giving Up

One of our incredible Year 1 girls has shown amazing determination in learning to walk on stilts. Every breaktime, she practises with stamina, resilience, and perseverance, never giving up. Her efforts truly embody the characteristics of learning we aim to nurture in all our children — showing that with dedication and courage, anything is possible!

## Fantastic Feedback

We were recently delighted to receive some very positive feedback from one of the gymnastics managers, who shared how impressed they were with our instructor's praise for the children. They highlighted the respectful behaviour, excellent attitude, and commendable conduct consistently demonstrated by our pupils. We are sincerely grateful for your continued support at home. It is through your efforts in nurturing these values that we are able to receive such affirming feedback — thank you for playing such a vital role in your children's development
